

Your Online Account

your benefits on your time

Same system, only better.

The look and feel of your online account is different, but how you access it is the same! Simply log in from the homepage on www.midamerica.biz using your existing username and password.

Improved with you in mind.

- Plan forms are easier to locate
- Retirement tips and updates
- Manage investments and monitor account balances
- Access from your computer, tablet or smartphone
- Faster system, increased stability

Experience the difference.

Log in on December 12 and access your existing account details in a simpler, more intuitive way. Quick guides on the upgrade are available for download from our homepage!
