

New home. Same great benefits.

MidAmerica.biz is becoming ***myMidAmerica.com***

In September, MidAmerica is changing our URL from www.midamerica.biz to www.myMidAmerica.com.
What does this mean for you? Business as usual.

- MidAmerica.biz will automatically redirect to myMidAmerica.com
- Existing bookmarks will still work
- Any resource materials or forms that direct you or your participants to MidAmerica.biz are still OK to use
- Any usernames and passwords currently used to log into your MidAmerica benefits accounts will not be affected

You will receive another email communication shortly before the change is implemented. While MidAmerica.biz will still work in all applications after the switch, we encourage you to update your bookmarks and address books with myMidAmerica.com once the change has taken place.

If you have any questions or concerns about the switch, please reach out to your Account Manager by emailing AccountManagement@midamerica.biz.
