

Managing your benefits with MidAmerica has never been more convenient, giving you more time to do the things you love. With your benefits portal, MidAmerica Journey, you can access your Health Reimbursement Arrangement (HRA) and medical and dependent care Flexible Spending Account (FSA) from anywhere, at any time.

There are many reasons to be excited about MidAmerica Journey. Here are just **five benefits of the portal** to make your journey with us even easier.

### 1. Make payments with ease

Payments are automatically withdrawn from your reimbursement account when you use your Benefits Debit Card, so there are no out-of-pocket costs. And because many of your purchases are verified at the point of purchase, you won't need to manually submit as many receipts\*.

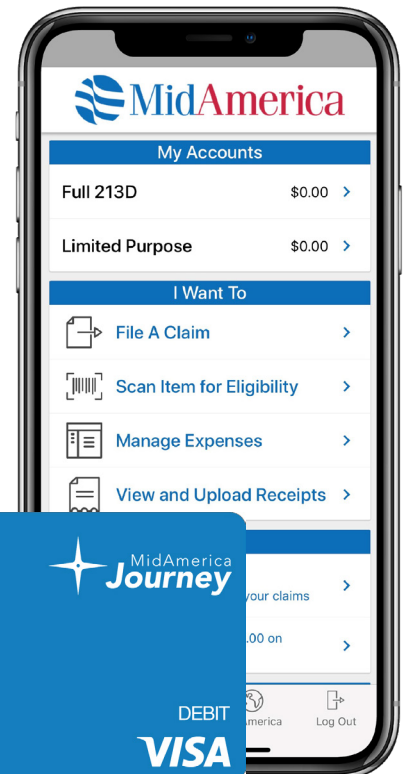

### 2. Benefit access that goes along for the ride

With the Journey mobile app, your HRA and FSA information is at your fingertips. Some benefits include fingerprint login capabilities, account snapshot, streamlined claims submission, and the ability to determine reimbursement eligibility by simply scanning a barcode! Download the app from your app store by searching "MidAmerica Journey."\*\*

### 3. Get the information you need—fast

You'll find that your experience with Journey is intuitive and easy-to-use. Most importantly, you'll have 24/7 access to your benefit accounts. When you log into your portal, you can:

- Access account balances
- Quickly submit claims for reimbursement
- Easily upload receipts and documentation
- Utilize enhanced charts and graphs to understand your spending

#### 4. All your Health & Welfare plans in one place

If you have more than one health & welfare benefit plan through MidAmerica, you can sign into Journey and access them all. This means your FSA, HRA, and investment management are all accessed with the same username and password!

#### 5. Save time

You're busy and we get it. In addition to the time-saving features, there are even more ways to streamline your benefit management. You can:

- Set up text notifications for claims or low balance events
- Quickly locate forms and helpful resources

*\* Receipts may be required upon request in accordance with plan rules and regulatory guidelines.*

*\*\*Please note you will not be able to access the mobile app until your plan has transitioned to MidAmerica Journey.*
