Re: New information regarding your 403(b) Retirement Savings Plan

Dear Gibson County Special School District Employee:

Per IRS Regulations Employers are required to provide compliance oversight and management of all of their employees' 403(b) accounts. Gibson County Special School District has chosen MidAmerica Administrative & Retirement Solutions, Inc. to take over as the Third Party Administrator for these plans effective November 1, 2011.

Please contact MidAmerica regarding any questions you have concerning your 403(b) Plan. All plan related transactions (other than investments decisions) must now be validated by MidAmerica prior to being processed by payroll or your investment provider. This includes all distributions, transfers, rollovers, hardships, loans, and salary reduction agreements. The next open enrollment for the Gibson County Special School District will be in November 2011 for changes that will take effect in January 2012.

MidAmerica will provide Plan Highlights documents that outline the main points of your Plans. In addition, MidAmerica will provide a customized web page that further explains the plans and provides financial calculators, access to forms, and a list of approved investment providers with contact information. The website address is [www.midamerica.biz](http://www.midamerica.biz). Click Participants, then 403(b) TPA Services, then Go To Your Plan, then type your Employer name until the link appears below.

MidAmerica's fee for administrative services is \$24.00 per year per actively contributing participant. All of the approved investment providers on the plan have been requested to pay the administration fee. Some investment providers will agree to pay the fee but then will deduct the amount from your account. If you have questions regarding this practice, please contact your investment representative directly. Those providers that decline to pay the fee will be removed from the Plan.

Participants that are contributing to providers that will not agree to pay the fee will need to choose a new provider that has agreed to pay the fee from the approved list. When you select a new provider, you must contact the provider directly to establish your account and then submit a Salary Reduction Agreement to MidAmerica to change your payroll deductions to the new provider.
